BJ

Happy New Year to All!!! I would like to take this time to remind everyone about the vulnerability assessments (security surveys) that our Outreach unit can assist with. This is a free service, where we schedule a date and time to meet and can assist in pointing out things around your house, either inside or out, to help with securing your home and deterring crime. Examples but not limited to lock choice, lighting, landscaping, etc. The ultimate goal is to show pride of ownership along with pride in your neighborhood. This is in an effort to deter the criminal element from your neighborhood out of fear of being seen, caught, and to secure your house appropriately to make it extremely hard and difficult for anyone to enter. What we go over and speak about are suggestions on ways to secure your home and belongings. Any questions call 410 887-5035
