*We have had several vehicle thefts countywide and most seem to be occurring closer to the city/ county line. However, some have been vehicles left unoccupied with the keys left in them. Please be on the lookout as you see foot traffic through your neighborhoods. Take a moment to look outside before just walking out to your car, especially if you have a very strict routine. Be aware of your surroundings. Please contact me in reference to any upcoming meetings because my calendar is filling up fast. As always feel free to email or call 410 887-5035 with any questions or problems.*
