CRIME STATS FOR MONTH OF OCTOBER:

Hello everyone! Its getting colder and daylight is getting shorter, which in turn we are seeing a rise of thefts from motor vehicles. As a reminder, we **DO NOT** recommend you to keep valuables in your motor vehicle. Vehicles are often targeted by criminals to find unlock doors to remove anything of value. If your vehicle is equipped that a key only has to be in close proximity to the vehicle to unlock, look into placing the key fob in a metal object to interfere with the transmitter so your vehicle is not accessible to others. Please do not leave your vehicle running to warm up and unattended. Do not take the chance of losing your vehicle. Always be aware of your surroundings as we are getting closer to the holiday season. As always if you see something say something!
