*Crime Stats: The holiday season is upon us and we want everyone to have a happy and safe holiday. Keep personal belongings close and out of sight. DO NOT USE YOUR VEHICLE AS A PLACE TO STORE PRESENTS OR ANY OTHER VALUABLE ITEMS! Random communities are targeted throughout the county and is not always during nighttime hours for unlocked vehicles or vehicles displaying valuables in plain view. **DO NOT** leave your vehicles running unless you are in them. We have already had some vehicles stolen from people trying to warm up their vehicle and going back into their residence. Please do your best to not become a victim. I will be out of the office from 11/23 and will return on 12/4. If your community is having a meeting please notify me as soon as possible. Vulnerability Assessments or Residential Surveys can be done at any time, just call and schedule them free of charge. A big thing is lighting especially with it being dark sooner in the afternoon. Lighting can and does work in deterring crime. Please take advantage of our free service and allow us to help make your house and neighborhood as safe and hopefully help keep the criminal element from targeting you.*
