Crime Stats: Happy Holidays to all!!! I hope everyone has a safe holiday. Please be vigilant in monitoring your surroundings whether you are home or out and about. The criminal element is always looking for the opportunity if given to commit a crime so please take precautions to help deter any incident from occurring. Going into the New Year I would like to remind people about the free service of the Baltimore County Police department Outreach unit security assessment that can be conducted at your home and or business in a way to assist with pointing out areas to help prevent and deter break ins and or other crimes to occur.
